Passionate Mobile Developer with more than 6 years of iOS Mobile Application Development Experience. I would like to be a part of challenging and growth-oriented organization in order to gain valuable experience, and to strive for the prosperity of an organization where my knowledge can be utilized and my talents explored in the field of information technology.

WORK EXPERIENCE

28 Apr 2026 – 14 Jun 2026 ***React-Native Developer*** **QF Network** **Karachi(PK)**

- Learning, developing and maintaining mobile applications for both Android and iOS platforms using React-Native. Efficiently integrating REST APIs, Firebase (Authentication, Firestore, Push Notifications), and third-party libraries. Identifying and resolving bugs, and enhancing existing features.
- Native iOS Development. Recently bug fixed and published "AI Material Master" iOS (SwiftUI) app on App Store. (https://apps.apple.com/jp/app/ai-material-master/id6744245649)

15 Mar 2026 – 15 Apr 2026 ***Flutter Developer (intern)*** **Liquify Now Pvt. Ltd.** **Karachi(PK)**

- Worked on "Jointt.pk" App using Flutter. Jointt brings Pakistan's trusted anchor brands into a single app. Shop from HyperMall for same-day delivery within 8km, or SuperMall for next-day delivery across a 25km radius.

Jun 2025 – Feb 2026 ***CareGiving*** **Career Break** **Karachi(Pakistan)**

- Due to Mother's Health

Nov 2023 – May 2025 ***iOS Developer*** **UBL Fund Managers** **Karachi (Pakistan)**

- Developed "UBL Funds" App using Swift. UBL Funds app is a user-friendly application that provides you easy and direct access to your investments on the go. Investors have the convenience of monitoring their investments and conducting online transactions around the clock, from any location worldwide, with just a few clicks. (https://apps.apple.com/pk/app/ubl-funds-smart-savings/id979130863)

- Developed "Al Ameen Funds" App using Swift. (https://apps.apple.com/us/app/al-ameen-funds/id6738091718)

Nov 2021 – May 2023 ***iOS Developer*** **NewSoftwares LLC** **Karachi (Pakistan)**

- Used Objective-C and XCode to developed the application's core features, resulting in smooth user experience and performance.
- Developed Security App "Calculator #" for hiding personal photos, videos, documents etc. using Objective-C.
- Calculator #: It looks like a Calculator but it secretly hides your confidential Photos, Videos, Documents, Passwords, Notes, Contacts and To Dos. It disguises itself as a Calculator to make it impossible for prying eyes and hackers from discovering it.

(https://apps.apple.com/us/app/calculator-hide- photos-videos/id1165276801)

April 2021 – Aug 2021 ***iOS Developer*** **Novus Altair IT Services** **Karachi (Pakistan)**
